

# Wish List

## BEADS

- Higher quality beads – natural stone, glass, wood, seed (not plastic)
- Broken/recycled jewelry – organize a broken/unwanted jewelry drive. We can disassemble the jewelry and “upcycle” the beads or have fine metals melted down!
- Gift certificates for Fire Mountain Gems – This is where we purchase most of our jewelry supplies, which is our biggest operating expense.

## PAPER

- Calendars (wall/large format)
- Maps

Usually these stores are happy for you to take the books off of their hands! Please contact Bead Amigas if you would like more information on how to request wallpaper sample book donations.
